

Building Community at Compass Crossing

Creative Community Collaborations

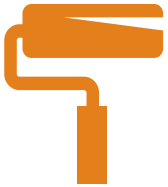

Compass Housing Alliance's Compass Crossing program will offer people the safety and support they need to create a bright future. A positive community is cornerstone to their success. Please consider partnering with Compass Housing Alliance to help make Compass Crossing a positive place for all of us!

Ideas of how we can work together to build community at Compass Crossing:

- **ROOFTOP ART**
Create one-of-a-kind art on the rooftops of Compass Crossing

- **MURALS**
Create an inspirational mural to be featured on the housing units

- **HOUSING COLORS**
Help choose the color(s) of Compass Crossing housing units

- **PERSONAL ART**
Turn housing into homes by creating personal works of art to be featured in the home of new residents

- **GARDENS**
Help to create a community garden at Compass Crossing

- **ART WALKS**
Connect as a group to tour the local art walk

- **DOG WALKS**
Furry friends are great connectors - go on a group dog walk to the dog park

- **BLOCK PARTY**
Have a block party where Compass Crossing residents and the community members can get to know each other

- **COMMUNAL DINNERS**
Gather with Compass Crossing residents for a pot luck meal to build positive connections within community

- **HOLIDAY CELEBRATIONS**
Invite Compass Crossing residents to share in your holiday cheer

We want to hear from you!
