Walsh Construction Company
will start construction of the
Compass Broadview Apartments
on **December 11, 2017**

Project address:
147 N. 132nd St., Seattle WA 98117

Neighbors,

Walsh Construction Company (WALSH) will start construction of the Compass Broadview project soon. When finished, it will be a 3-story multi-family apartment building with 59 affordable dwelling units and 24 parking spaces in a below-grade garage. Part of the existing church building will also be demolished.

Walsh will issue newsletters throughout the project to provide updates on the progress and inform our neighbors of any pertinent information about the construction.

Entrance to the site will be from NE 132nd Street, so please be aware that we will have equipment coming in and out of the site at this location. Please be alert and use caution when walking and driving in this area.

As will be the case throughout construction over the next 14 months, please do not hesitate to call us with questions or concerns. We appreciate your cooperation during this project.

Thank you for your patience,
