Neighbors,

Walsh Construction Company (WALSH) is in the eleventh month of construction on the Compass Broadview project.

During the previous month WALSH installed cabinets on levels 3 and 2, flooring and doors on level 3, painted walls levels 3, 2, 1, and began painting the exterior siding.

During the upcoming month WALSH will continue exterior painting, and installation of cabinets, flooring, doors, lighting, sinks, and toilets levels 3 through 1.

Entry to and from the jobsite is on North 132<sup>nd</sup> Street. Please be aware that we will have equipment coming in and out of that location. Everyone should be alert and use caution when walking and driving in this area.

When complete, the 3-story multi-family apartment building will offer 59 affordable dwelling units and 24 parking spaces in a below-grade garage.

As will be the case during construction through early 2019, please do not hesitate to call us with questions or concerns. We appreciate your cooperation during this project.

Thank you for your patience,

**WALSH**
