## Compass Broadview Apartments

*Project address:*

**147 N. 132nd St., Seattle WA 98133**

Neighbors,

Walsh Construction Company (WALSH) is in the twelfth month of construction on the Compass Broadview project.

During the previous month WALSH continued exterior painting, installation of cabinets, flooring, doors, lighting, sinks, and toilets levels 3 through 1.

During the upcoming month WALSH will complete all interior flooring, cabinets, countertops levels 3 through 1 and begin work in community room, craft room and offices. On the exterior WALSH will complete exterior painting and begin exterior site work and landscaping.

Entry to and from the jobsite is on North 132<sup>nd</sup> Street. Please be aware that we will have equipment coming in and out of that location. Everyone should be alert and use caution when walking and driving in this area.

When complete, the 3-story multi-family apartment building will offer 59 affordable dwelling units and 24 parking spaces in a below-grade garage.

As will be the case during construction through early 2019, please do not hesitate to call us with questions or concerns. We appreciate your cooperation during this project.

Thank you for your patience,
