Project address:
147 N. 132nd St., Seattle WA 98133

Neighbors,

Walsh Construction Company (WALSH) is in the fourteenth month of construction on the Compass Broadview project.

During the previous month WALSH completed interior finishes of all units and in most of the community area. On the exterior WALSH completed pouring of pervious pavement, pavement striping, paver and sidewalk installation.

During the upcoming month WALSH will complete the project.

Entry to and from the jobsite is on North 132nd Street. Please be aware that we will have equipment coming in and out of that location. Everyone should be alert and use caution when walking and driving in this area.

When complete, the 3-story multi-family apartment building will offer 59 affordable dwelling units and 24 parking spaces in a below-grade garage.

As will be the case during construction through early 2019, please do not hesitate to call us with questions or concerns. We appreciate your cooperation during this project.

Thank you for your patience,
